

Testimonials

Mike in the sales and catering department is a gem when it comes to helping plan your wedding. Everything was amazing. A lot of issues with other companies arose and Mike was constantly there to offer ideas for us. The dinner was awesome and the servers were top-notch. My hall was beautiful!

Thanks Mike!

Writers review for a September 23rd 2008 wedding

Dear Diane,

I would like to thank you and your staff for helping me to have such a lovely shower. Everything was perfect.

Our guests all complimented the food and service.

I would recommend Hotel Sierra to anyone who is planning an event. I hope you have a nice

Easter season.

Sincerely Mardell Steffen
